

"The best in class carbon cleaning solutions in the world"

CARBON CLEAN BUSINESS

WWW.CARBON-CLEAN.CO.UK

CARBON CLEAN FOR YOU

BENEFIT FROM NEW TECHNOLOGY

OVERVIEW

Whether it is automotive, marine, agricultural or locomotive, carbon build up is a very common problem.

At carbon clean we have developed easy to use machines and solutions for the progressive workshop.

TAKE ADVANTAGE OF THIS OPPORTUNITY WITH CARBON CLEAN

Our system has been carefully researched and developed in the UK to specifically suit the garage aftermarket.

Reliable components with added safety features have been carefully incorporated into the machines, complying to UK/EU regulations.

THE BENEFITS OF A CARBON CLEAN BUSINESS

SIMPLY PURCHASE A MACHINE AND AWAY YOU GO ...

£51,480
PER YEAR

2 CC/DAY

£102,960
PER YEAR

4 CC/DAY

EARNING POTENTIAL

Based on a 5 day week and 52 weeks worked per year, and the average price of a carbon clean service of £99.

E.g. 2/day = 10/week = 520 per year x £99 = 51,480
